Experience

GRAPHIC AND WEB DESIGNER

Freelance

2007 - Present

Have worked on and continue to work on many branding, print and web projects, under contractors and independently.

GRAPHIC AND WEB DESIGNER/DEVELOPER

Empax, Inc.

2008-2010 New York City, NY

Helped advocate nonprofits and their causes by creating a range of materials, many from start to finish. Some tasks included brand strategy, logo design, print collateral, UI design, managing printers, CMS integration, and search engine optimization.

GRAPHIC AND WEB DESIGNER

Authentic Education

2007 Princeton, NJ

Worked on national school reform materials, such as report covers, book covers, programs, and front-end design for several websites.

TEACHER'S ASSISTANT

Art Studio, Full Sail University

2006-2007 Winter Park, FL

Assisted two course directors in a traditional art class with organizing documents and projects, and consulting students on art direction.

INTERN

Image & Design, Full Sail University

2007 Winter Park, FL

Created a range of signage, print materials and color schemes for the school's interior and exterior design department. Worked with and under interior designers, architects, engineers and other graphic designers.
